

REMARKS/ARGUMENTS

Applicant acknowledges receipt of the Notification of Defective Response dated November 30, 2006. According to the notification, the Applicants must submit an amendment specifically directing entry of the "Sequence Listing" into the application. The Applicants have submitted the above amendment to the specification, specifically directing entry of the "Sequence Listing" into the application. The content of the sequence listing information is identical to the written sequence listing and includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d).

Additionally, the Notification of Defective Response indicated that the content of the computer readable form did not comply with the requirements of 37 CFR 1.822 and/or 1.823. As such, Applicants submit a substitute computer readable form on compact disc that complies with the rules. The content of the substitute sequence listing information is identical to the written sequence listing and includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d).

Respectfully submitted,
KRAMER & AMADO, P.C.
